# Outdoors Rec provides play gear all year

By Airman 1st Class Thomas Trower  
27th Fighter Wing Public Affairs

Many families are searching for family events now that summer has come and school is out. One problem many face is that they do not have the right equipment to do things like go camping, boating, sailing or just barbecue in the back yard.

The Outdoor Recreation (ODR) office has resolved many of these issues by offering a variety of equipment for families to rent on a daily, weekend or weekly basis. Equipment ranges from tents and sleeping bags to boats and jumbo slip and slides.

While some may think it's normal to be able to rent folding tables and chairs, they may not expect that they can rent campers, turkey fryers or even a dunk tank.

Rental fees vary on the equipment and items may be rented for one day, a normal weekend, a holiday weekend or even the entire week.

Most items are available to all personnel, but some do have special requirements for rental.

Anyone interested in renting a powered watercraft must first attend a Boater Safety Course at Fort Sumner Lake. For \$15, ODR will provide transportation, food and pay all course fees.

The courses is comprised of a

U.S. Coast Guard Boaters Safety Course and ODR On-Water Familiarization Course and the next available course is scheduled for August 11. This course is not required to rent sailboats, skis or wakeboards.

Equipment that is transported on a trailer or needs to be towed has special requirements. These items require a proper tow vehicle, a two-inch ball and a flat four-wiring harness.

Along with providing equipment for personal ventures, ODR also organizes travel packages to various areas across the region.

Their next adventure will be July 14-17 at the Peregrine Pines Campground at the U.S. Air Force Academy Garden of the Gods in Colorado Springs, Colo. The group will camp out overnight and go biking on the Colorado Springs trail system and travel through the Garden of the Gods nature center to view wildlife, rock formations and the scenery. They will return to Cannon no later than 11 p.m. July 17. The trip is limited to the first 11 participants who sign up by July 7. ODR has four bikes to rent, but all youths must bring their own bike.

The summer months don't have to creep by uneventfully if Cannon members take advantage of their privileges at ODR.

For more information on services provided by ODR, contact them at 784-2773.

**BOATS AND WATERTOYS**

<b>John Boats</b> 16' john boat, 15 hp, 4 person. Personal Floatation Devices are included in rental price. Requires 2" ball and a flat four wiring harness.	<b>Canoes</b> The canoe is not on a trailer. It will seat up to three persons. Does not accommodate a motor. **CLEANING and DAMAGE FEES**

You are responsible to check the equipment prior to leaving the facility and for returning the equipment clean, dry and undamaged. If we have to clean it we will charge you a cleaning fee. The fee will be no less than 15% of the original total rental fee paid and no more than 20% in severe cases. You, as the renter, are financially responsible for the equipment during your rental period. If equipment is damaged or lost, Outdoor Recreation Director will determine repair and/or replacement fees.

**RESERVABLE ITEMS**

Watercraft, A-liners, canopies, 50 or more chairs, 10 or more tables, b-b-q grills, turkey fryers and inflatable children's toys. Reservations may be made 4 months in advance for active duty, 60 days in advance for retirees, dependents and civilian employees. Reservations require 1/2 of the total rental price deposit be paid at the time of the reservation. Cancellations less than 7 days in advance will result in a forfeiture of the reservation fee.

PHOTOS BY AIRMAN 1ST CLASS THOMAS TROWER

Left: The Outdoor Recreation Office (ODR) offers a wide variety of equipment for check out. Items range from camping equipment and travel trailers to boats and water slides. Some items have special requirements for rental. All items on trailers or need to be towed must have a proper tow vehicle, a two-inch ball and a flat-four wiring harness.

Right: Persons wishing to rent a powered watercraft need to attend the U.S. Coast Guard Boaters Safety Course and On-Water Familiarization Course, provided by ODR. Water skis, wakeboards, tubes and sailboats do not require this course.
