

Welcome to Cannon Community Chapel! Our chapel staff is eager to serve you and your family while you are a part of "America's Go-To Wing." On a daily basis, we seek to provide world class ministry to Air Force members and their families through religious observances, spiritual care, and fellowship opportunities. This brochure provides a brief overview of our services and activities. If you need more information on existing programs, please call the Chapel office at 784-2507.

Welcome to Cannon! We look forward to serving you.

NEED A CHAPLAIN?

The chaplains at Cannon Community Chapel have received extensive counselor training and welcome open discussions. They offer 100% complete confidentiality.

Are you facing a personal problem?

- If a problem is beginning to make you feel anxious, nervous, empty, or depressed, a chaplain can provide confidential counseling and direction.

Are you facing a deployment?

- All of our chaplains deploy and they can share with you and your family ways to make the separation less painful.

Are you facing a decision?

- A chaplain can offer non-judgmental objectivity to help you sort through issues and provide a clearer perspective for your decision making.

Has there been a death in the family?

- A chaplain can help you in your time of need with a listening ear, and words of encouragement.
