## Cannon Contractors to Establish Partnership with Local Community

**CANNON AIR FORCE BASE, N.M.** – Starting on 1 October, Cannon Air Force Base procurement officials will partner with community officials to highlight opportunities for local contractors' participation in federal government contracts. This partnership will drive a consistent flow of information as business opportunities are posted to the federal site (Sam.gov). When posted on Sam.gov, notifications will also be posted on the county's website: [currycounty.org](http://currycounty.org), as well as the city of Portales' website.

For additional information or questions, please contact Mr. Martin Roger, Director of Business Operations for the contracting squadron by phone: (575) 784-2322 or by email: [roger.martin@us.af.mil](mailto:roger.martin@us.af.mil).
