Cannon aircraft transport from Melrose Air Force Range

CANNON AIR FORCE BASE, N.M. – On Nov 8, 2023, beginning at 7:30 a.m., Cannon AFB personnel will be conducting a move of an aircraft currently stationed at Melrose Air Force Range back to Cannon AFB.

The route will be from roads 267, onto the airbase highway (60-84), onto CR South. The estimated time will take approximately eight hours.

A map of the general area/ route to be affected can be found on our Cannon AFB official website. Official emergency personnel will be on the scene to direct traffic. Please expect delays and be patient as we move the aircraft from MAFR.

For questions about this move, please contact the Cannon AFB Public Affairs office at:
