Housing in the Local Community

The Housing Management Office (HMO) provides all DOD personnel with personalized services to assist in locating suitable housing in the local community. Although moving is sometimes stressful, it can also be an exciting opportunity to live off base and experience a new location. The HMO will assist you every step of the way to help you find your new home in the local community.

Housing Services

Contact the HMO as soon as you know you are moving. The government housing team will provide you the latest information on the local housing situation and offer complete referral services and relocation assistance to make sure you find a quality place to live.

Support services range from helping members understand their lease agreements and the necessity for a military release clause to assisting in resident and landlord dispute resolution, among many others.

The HMO partners with landlords, realtors and property managers to make sure you receive the most current information about the local housing market. The HMO also monitors housing units offered for rent to the military community.

Community Housing Units

Many landlords do not allow pets, so ask before making any commitments. Contact the HMO Housing Referral Specialist for more information at 575-714-4081. You can also visit www.homes.mil to view available rentals in the area surrounding Cannon.

For information about the housing allowances that financially support your move, see Referral and Relocation Assistance.

Personal Property Insurance

You need to obtain legal liability and personal property insurance for your possessions and should choose the options and amounts that best fit your needs and lifestyle.

Before purchasing your insurance, please consult the HMO for more information about coverage.
